

WHAT IS WISH WEEK?

DRHS Wish Week 2023

Make a Wish Foundation

The Make a Wish Foundation provides children with critical illness with amazing and life altering experiences based on a child's wish. This might be a trip to Disneyland or meeting their favorite celebrity. During Wish Week we raise money for Make A Wish Colorado in order to grant a child in Colorado their wish.

Our Recipient...

Is Allie from Kremmling, CO. She was diagnosed with a serious heart condition her sophomore year. It disrupted her life and her ability to play sports.

You Can Help!

Allie's wish is to meet her favorite football player. She feels this wish would be like a victory after her diagnosis and current inability to play sports. Your donation during Wish Week can make Allie's wish come true, and help fund wishes for kids like Allie in the future. A wish can make a big difference in someone's illness and treatment, and we have the ability to make it happen through Wish Week.
